## **What is the Gravitate Recital?**

The Gravitate Recital is an end-of-year show featuring all of our recreational class routines and competitive company routines! Because we are in the performing arts, it's important to allow our students an opportunity at the end of the season to share what they've learned and have been working on all year long with their family, friends, and the community.

### **Do we need to purchase tickets?**

YES! All attendees must purchase tickets in advance. You may request a free lap seat ticket for children 2 & under. Group ticket discounts are available. Dancers performing in the show do not need tickets.
