

COVID-19 SAFETY PROCEDURES

LIMITED CLASS SIZES

- Class capacity will be no more than 9 students.
- Company dancers will be assigned to level-specific pods and will attend all classes and rehearsals with the same dancers throughout the season to minimize student exposure.
- Dancers will have assigned 6x6 foot spots while in class (6 feet or more from other dancers) at all times.
- Dancers will also have assigned spots to put their belongings during class.

CLEANING & SAFETY PROCEDURES

- Instructors will take each dancer's temperature upon arrival at the studio.
- Instructors will wash hands between each class. It is recommended that students wash their hands before and after coming to class.
- Students will be required to use hand sanitizer before, during, and after classes.
- There will be periodic breaks in the daily schedule to allow for cleaning of bathroom, barres, doorknobs, light switches, mats, etc.

STUDENT CHECKLIST

- Use the bathroom before coming to the studio and eat a healthy meal/snack. No food is allowed in the studio, only water bottles.
- Changing clothes in between classes is now eliminated. Students must wear dance attire that can be used for all classes. No sweat pants, jeans, t-shirts are allowed. Hair must be pulled up and out of face and students should wear tight fitting athletic clothing only.
- Students may only bring a water bottle and 1 personal item (i.e. dance bag). We ask that you leave cell phones at home to limit spreading of germs.
- **Students/Teachers are required to wear masks.**

NO LOBBY ACCESS

- Dancers will wait outside of the dance studio with a parent/guardian until Ryanne or Kimmy meets them at the door to invite them in.
- Parents will remain outside the studio and pick-up dancers promptly after classes.
- If parents need to talk with company directors, they must schedule a time after classes finish for the evening, schedule a call or set up a Zoom meeting.

VIRTUAL CLASSES

- For any families concerned, we will still offer Zoom classes upon request.
- If we roll back to Phase 3, Zoom Classes will still be held at a regular tuition rate.
- Zoom classes **MUST BE USED** in the following situations:
 - If a dancer or family member feels ill or has a temperature over 100.5
 - Has been exposed to anyone with symptoms or confirmed cases of COVID-19
- Zoom classes are RECOMMENDED (but not required) in the following situations:
 - If you are uncomfortable with sending your child to the studio
 - If there is an immunocompromised family member
 - If anyone is living or interacting with elderly people on a regular basis

**SAFETY OF OUR
DANCERS AND
FAMILIES IS OUR
NUMBER ONE
PRIORITY!**
